BATHED IN LIGHTNING: JOHN MCLAUGHLIN, THE 60S AND THE EMERALD BEYOND (PAPERBACK)

Outline Press Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English. Brand new Book. On February 16 1969, John McLaughlin flew into New York, from London, in a snowstorm. The following day, Miles Davis, his hero, invited him to play on a record. Two years later, on the path of Bengali mystic Sri Chinmoy, John launched The Mahavishnu Orchestra-an evocation in music of spiritual aspiration and extraordinary power, volume and complexity, far beyond anything else in jazz or rock. Curiously, it was also a huge success. John McLaughlin brought rock music to its pinnacle, the end point in an evolution from Mississippi blues through Coltrane, Hendrix and The Beatles. And then, in November 1975, he hung up his electric guitar and walked away from the stadiums of the rock world for an ongoing, restless career in music of other forms. To most of the world, John McLaughlin looked like an overnight success, with a backstory going back only as far as that February in 1969. Yet he had been a professional musician since 1958, experiencing all the great movements in British music-trad jazz, rock'n'roll, R and B, soul, modern jazz, free jazz, psychedelic rock-a guitar for hire at the centre of 'Swinging London', a bandmate of future members of Cream, Pentangle and Led Zeppelin, but always just under the radar. Drawing on dozens of exclusive interviews and many months of meticulous research, author and music historian Colin Harper brings that unrepeatable era vividly to life. This landmark new work retrieves for the first time the incredible career of John McLaughlin before he conquered the world-and then chronicles how he did so.
