"I believe that this book was Divinely channeled so that those who are about to give up on love open their hearts one more time and experience the pure joy of giving love with no other agenda; those who are about to give up on their brothers and sisters open their eyes one more time and see the spark of good that is in everyone; and those who are about to give up on God look for the grace one more time and find that just on the other side of the darkness, the light is waiting to embrace them. Congratulations Temba! You have gone deep into the recesses of your own soul to remind us that we live in a benevolent universe. That everything is always working 'for us'...
